Subject:--

Acceptance of Examinership in the
University of Madras.

The examinership offered
to the State Geologist may be
accepted.

I wish to be informed --
what the existing practice is
in the Education Department in
regard to the question raised
in paragraph (3).

I beg to enclose a letter, dated
8th September 1914, from the University of
Madras offering me an examinership for the
B.A. (Honours) examination and shall be glad
to know if I may accept the same.

2. I enclose my Memo of the 17th May 1909
on which I obtained sanction previously, but
I understand that you wish me to obtain special
sanction on each occasion.

3. In the case of any other Officer of the
Department being offered an examinership, I
shall be glad to know if I may sanction the
same as Head of the Department. The work
generally involves a visit to Madras for 2 or
3 days about March or April for practical --
work.

The examinership offered to Mr. Sampath Iyengar may be accepted. In the matter of receiving remuneration the rules in the service Regulations should be strictly observed. To this end the circular issued by the Inspector-General of Education should be supplemented by a Government circular to all the Departments. After issue of orders the file may kindly be sent to the General Secretariat for needful action.

In reply to your query on my Memo No.30 dated 16th Sept. 1914, I now enclose a Note by the Inspector-General of Education about University Examinerships.

As University Fees will usually be more than Rs.50/-, Rule 51 (c), Mysore Service Regulations, says the sanction of Government must be obtained.

2. I think that in the case of University Examinerships Government might give the Head of any Department a general sanction to -- sanction acceptance of examinerships by his officers or by any particular officer.

3. Mr. Sampat Iyengar, Assistant Geologist has been offered an examinership in Geology for 1914-15 by the Madras University. Like myself he did not consider it necessary to obtain special sanction each year and he has, I find, accepted the offer. I shall be glad if Government will now formally sanction his doing so, pending any decision as to whether power to sanction future cases may rest with me as Head of the Department.

4. With regard to fees, the officer should be allowed to accept these as the work be --

be done on casual leave for the 2 or 3 days when attendance at Madras is necessary and need not be done in time which should be devoted to Government work.

NOTE BY THE INSPECTOR GENERAL OF EDUCATION ON MEMO NO. 641 DATED 26th SEPTEMBER 1914 FROM THE STATE GEOLOGIST.

Article 51 of the Service Regulations governs such cases. If the remuneration does not exceed Rs. 50/- the Heads of Departments ^{and where it exceeds Rs. 50/- the permission} have power to grant permission of the Government is necessary. In the British provinces the limit of remuneration for Heads of Departments to give permission is Rs. 100/- In the Mysore State the above rule, I found, was being observed very laxly in the Education Department and I have issued a Circular calling attention to the above.

Secy. to Govt. Geol. Dept.

With reference to the examinerships for Madras University Examination in Geology of 1914-15 which Mr. Sampat Iyengar and myself have been permitted by Government to accept, I beg to apply on behalf of Mr. -- Sampat Iyengar and myself that we may be permitted to accept the full remuneration offered by the University for the work to be done in accordance with Article 51 of the Mysore Service Regulations. The remuneration may possibly amount to Rs.300/- to 400 in each case.

2. The work will not be done during the time which would otherwise be employed in the service of Government and therefore -- apparently it is not necessary that the fee should be credited to Government. Vide -- Article 51(b) of the Mysore Service Regulations.

3. In the event of either officer having to proceed to Madras for the purpose of holding an examination he will do so on casual leave.

The rules in Act 5-1 m. S. R. should be strictly applied in these cases (University examinations) and sanction of govt. should be obtained in each case in which it is necessary under the rules. No powers of sanction should be delegated to any subordinate authority.

The principles to be followed in acceding permission may, in my opinion, be as follows:

(a) Permission should be given for work of a high & responsible character i.e. for examinations in the highest examinations, where the bulk of the work is necessarily small.

(b) Permission should be refused where the work is of ordinary kind and of considerable bulk e.g. examining for matriculation, Intermediate &c. An officer may say that he will do the work out of office hours & may even do so, but any one who has examined 500 or 1000 papers at a stretch will admit that the work is so exhausting as to impair the working capacity of an individual for the time being in respect of his ordinary duties.
